Danny,

Can we discuss what of this can or cannot be in the GC's scope?

Subject: OED Move to 999 North Capitol - LAN Design Document - Draftv6

Josh,

I have attached the version 6 draft of the LAN design for 999. It include the racks needed for the LAN room. We would like the GC to install the Racks, cable ladders (usually provided by GC), and patch panels. Please let me know if you have anyquestions.

Respectfully,
